

# PLATINUM HYGIENE

# PINE 20

## DISINFECTANT / CLEANER / DEODORISER

### NEW AGE TECHNOLOGIES

- PINE 20 is a commercial grade disinfectant which meets the Therapeutic Goods Act requirements at a breakdown ratio of 1 part concentrate to 40 parts water.
- PINE 20 is ideal for cleaning and disinfecting woodwork, floors, ceilings, fixtures, equipment, windows, doors, bathrooms, toilets, garbage bins, furniture, car and bus interiors, etc.
- PINE 20 is suitable for use in hard and soft water regions, is bio-degradable and incorporates a premium quality fragrance to provide a long lasting smell of freshness.
- PINE 20 is also effective against three strains of Legionella, Legionella pneumophila, Legionella longbeachae and Legionella Bozemanii.

### DIRECTIONS FOR USE

- Dilute PINE 20 at a ratio of 1 part concentrate with up to 40 parts water.
- Apply with a sprayer mop, brush or sponge to the soiled and unhygienic area and rinse off.
- For stubborn stained areas consult your EPIC OTR SOLUTIONS representative for stronger cleaning compounds specific to the task.

### CONTAINS
