

PLATINUM INDUSTRIAL

GREEN POWER

THE ENVIRONMENTAL SOLUTION FOR FLOOR DEGREASING + HEAVY VEHICLE TRUCK WASH

NEW AGE TECHNOLOGIES

- GREEN POWER is a thick mobile liquid that offers excellent cleaning as well as vertical cling.
- GREEN POWER is suitable for all vehicle cleaning operations from mining to general transport, general degreasing and floor cleaning.
- GREEN POWER removes all traces of road film, bugs, dirt, grime and gas stains with minimal agitation. It is a heavy duty cleaner yet remains gentle to the paint work.

DIRECTIONS FOR USE

- TRUCK WASH:
 - Dilute 1 part GREEN POWER with 5-20 parts clean water for use on chassis, tyres, truck trays, etc.
 - Dilute 1 part GREEN POWER with 20-25 parts clean water for use on truck cabs and paintwork. Apply preferably by low pressure sprays, allow to work, hose or pressure rinse with clean water.
- FLOOR DEGREASER:
 - Heavy Degreaser- 1:3; Low Degreaser- 1:20
 - Spray, mop or pour solution onto floor and allow to penetrate and emulsify, agitate if necessary and then simply rinse or wipe away from the cleaned surface.
